

**As of 12:00 Noon, Wednesday, March 18, 2020, all Fleetwood Bank office lobbies will be closed. All offices with drive-up availability will operate as drive-up only. Our Boyertown and Wyomissing Offices will handle transactions at the door, limiting access to the lobby. ATMs and night depositories will remain open as usual. All deposits will continue to be processed daily.**

Online Banking, Mobile Banking, Telephone Banking, Mobile Check Deposit and Remote Deposit Capture continue to be options to access your accounts, pay bills and make deposits remotely.

If you have a Certificate of Deposit coming due for renewal, the renewal can be made over the phone.

If you need to access your safe deposit box, open a new account or apply for a loan, please call to schedule an appointment.

If you are a business customer in need of currency or coin, please call in advance so we can prepare it for you.

For any transaction that cannot be completed through the drive-up, best practice is to call your branch office in advance:
